Pennsylvania's 2025 SUNDAY HUNTING DATES

As established by an Executive Order of the Pennsylvania Game Commission, pursuant to the authority granted under 58 PA Code and Act 36 of 2025.

Sunday Hunting Days Set for 2025

By State Rep. Joe Emrick

The new Sunday hunting days for 2025 have been set by the Pennsylvania Game Commission.

Beginning Sept. 14, and through the second Sunday in firearms deer season Dec. 7, all Sundays that fall within established hunting seasons will be included as part of those seasons and open to hunting.

Migratory game bird seasons are the lone exception. No Sundays will be added to the 2025-26 migratory game bird seasons because those seasons are set through federal

frameworks and adding any Sundays at this time would result in a loss of hunting days in 2025-26. You can find more details here <https://pasen.us21.list-manage.com/track/click?u=ad42733add2d5dc5f4866819b&id=1f423b52a6&e=edb4da6c8a>.
