## 024 Annual Senior Expo: A Heartfelt Thank You

What an incredible turnout at the 2024 Annual Senior Expo! With over 80 vendors, the event offered door prizes, health screenings, and so much more. I was thrilled to have welcomed hundreds from across the 40th district. This event allows seniors to learn more about available resources, speak with representatives from agencies, ask questions, and raise concerns—all in one convenient location.

Thank you to everyone who joined us and made this event a success! A special thank you to my staff, who go above and beyond to make this event happen, and the incredible team at Pocono Mountain School District for their hard work and professionalism every year.

In addition to celebrating the success of the Senior Expo, I want to update you on some important legislative proposals I am championing to support our senior community. I have introduced the Senior Property Tax Relief Act. As drafted, my proposal would expand the existing property tax rent rebate program. Currently, to be eligible, you must make under \$45,000 with a rebate amount around \$1,000. My proposal would expand to a tiered eligibility:

If your income is \$60,000 or less, you would receive a \$5,000 rebate.

If your income is \$60,000 or more, you would receive a \$2,500 rebate.

Read more about this proposal [here](#).

Furthermore, my Alzheimer's and Dementia Infrastructure bill is focused on enhancing services and resources, ensuring that those affected receive the care and assistance they need. This bill includes provisions for increased funding for research, improved training for caregivers, and the development of more comprehensive support systems. After two years of dedicated work on my proposal, Senate Bill 840 passed the Senate unanimously and is waiting consideration in the House of Representatives.

Thank you once again for making the Senior Expo a memorable event. Your participation and support are what make these initiatives possible.

## MC<sup>2</sup> is hiring.

COME JOIN OUR TEAM!

MC<sup>2</sup> is looking for candidates to fill the following positions at our Pen Argyl, PA production facility:

- Carpenters/Cabinet Makers
- Metal Fabricators
- Project Managers
