They came in three sizes CD, 45 and 33 LP.

My wife bought me my birthday present from the 'Air Chair' vendor. It's a patio chair that suspends from ropes you hang from over head, very comfy.

Musik Fest ends August 15th so make the time to get down there.

Northampton County Has Programs To Assist With Housing Problems, Evictions And Utility Payments

By Becky Bartlett

EASTON - The CDC issued a new limited eviction moratorium order on August 3rd which covers counties experiencing substantial or high levels of community transmission of COVID-19 through October 3rd. This order applies to the County of Northampton which has recently seen an uptick in cases.

Lamont McClure, the Department of Community and Economic Development (DCED) and county partners have programs in place to assist residents to remain in their households while alleviating the financial burden on landlords. The Community Mediation and Eviction Diversion Program (CMED) mitigates evictions and reduces the burden on the local court system. Housing services are free to low-and-moderate income households and owners of rental units housing low-and-moderate income tenants. The CMED program can also help with utility payments.

"The pandemic isn't over yet, we can see that from the rising number of cases in our area," says Lamont McClure. "I encourage any Northampton County resident who is experiencing problems with housing to contact us for assistance."
