

National Traffic Safety Month

By Robin Tinsley

PEN ARGYL - Driver Safety Tips:

Always wear your seatbelt and make sure all passengers do as well.

Follow the speed limit, and be sure to adjust your driving for weather and traffic conditions. (Sometimes, that means going under the speed limit!)

Stay focused on the road, avoid using your phone, and minimize other distractions.

Yield to pedestrians in crosswalks, and watch for people walking or bicycling in bike lanes.

Never drive under the influence of drugs or alcohol. Keep in mind you're often much more impaired than you or others think.

Not always sure who has the right of way at a stop sign? It's easy to forget some traffic law nuances, so I recommend taking some time each year to review basic traffic rules.

Pedestrian Safety Tips:

Always use sidewalks and crosswalks when available, and look both ways before crossing the street.

Make eye contact with drivers before crossing the street to ensure that they see you.

Avoid using electronic devices, such as smartphones or headphones, while crossing the street.

Wear reflective clothing or carry a flashlight when walking at dusk or night to increase visibility to drivers.

Teach children pedestrian safety rules and always accompany young children when crossing the street.

I hope that you find these tips useful and that you will join me in promoting traffic safety this month and throughout the year. And, of course, do not hesitate to reach out if you have any insurance questions or needs.

INSURANCE AGENCY

**HEALTH ON
WHEELS™**

CETRONIA
AMBULANCE CORPS

**OPERATION:
PATHWAY TO SUCCESS**

**High school graduate to fully employed in the
healthcare industry ... without all the college debt**

Cetronia Ambulance Corps is reaching out to local community high schools to inform future graduates about full/part-time employment opportunities within our nonprofit organization. An excellent pathway has been created to gradually advance associates to become successful in the healthcare industry.

For more information, contact Director of Human Resources
Shawn McGovern at 610-530-5510 or mcgoverns@cetronia.org.
