

Junior Conservation School Tours Grand Central's Habitat

By Michael Ortoski
PLAINFIREL TWSP -

Another year of fun for the Northampton County Junior Conservation School campers! Each year, Grand Central hosts a visit by the campers to view birds, find insects and discuss the importance of conservation at our landfills. We thank the leadership of the Northampton County Junior Conservation School for including our facility in their exciting week of learning! We value partnerships such as these and enjoy teaching alongside those that enjoy the outdoors like we do!
