Connecting with Neighbors at National Night Out

By State Rep. Ann Flood

Last week, my team and I were proud to be represented at four National Night Out events across the 138th District — Moore Township, Slate Belt Regional, Bushkill Township and Forks Township.

I attended the very first Moore Township National Night Out, an evening filled with community spirit, family-friendly activities and appreciation for our local law enforcement, fire personnel and emergency responders. My legislative aide, Ann, joined me to staff our information table and share resources about my office and upcoming events.

That same evening, the Slate Belt Regional National Night Out at Wind Gap Park brought neighbors together to celebrate and support first responders. My legislative aide, Alex, represented me and staffed an information table there. Staff members also represented me at the Bushkill Township and Forks Township events, connecting with residents and sharing information about district services and upcoming opportunities.

National Night Out events promote strong community partnerships and safe neighborhoods. They offer opportunities to connect with neighbors, support local first responders and enjoy free family-friendly activities.

New Law Targets Drug Overdose Response

By State Rep. Ann Flood

I recently voted in support of a new state law to enhance drug overdose reporting and response to combat this ongoing epidemic.

Act 18 of 2025 will ensure emergency medical services (EMS) providers are fully integrated into Pennsylvania's overdose surveillance systems, enabling faster, more accurate data sharing across agencies. By improving real-time coordination, Act 18 strengthens our ability to respond to overdoses and save lives.

The law will take effect at the end of the year.

ATV, Snowmobile Grant Program Taking Applications

By State Rep. Ann Flood

The Department of Conservation and Natural Resources' Bureau of Recreation and Conservation recently announced it is accepting applications for the All-Terrain Vehicle (ATV) and Snowmobile Program's fall grant round.

The program awards grants from the ATV and Snowmobile Management Restricted Accounts for projects proposing land acquisition, planning, development, rehabilitation, maintenance, equipment purchase or educational programs.

Eligible applicants include for-profit organizations, nonprofit organizations, and counties and municipalities in the Commonwealth.

Proposals must be submitted via DCNR's online grant application portal no later than 4 p.m. Tuesday, Sept. 30. Click here for additional information.
