Pen Argyl Area High School Clean Up

By Michael Ortoski

PEN ARGYL - On August 10th, 2023, from 10:00 am to 3:00 pm, about 20 students from the Character Education Program volunteered up to 5 hours of their time to help clean up the memorial garden at the Pen Argyl Area High School.

The Knights' Order, the Character Education program at Pen Argyl High School that organized the event, is responsible for service projects throughout the school and community. The Knights' Order focuses on improving school climate, culture, and tolerance through hosting events and activities meant to showcase integrity, fortitude, diversity, and kindness.

The Knights' Order wanted to give back to the community that has been so supportive of their other initiatives. The group decided that during the summer they wanted to help make the garden in front of the school look better for all of the students and staff to enjoy during the school year. The clean up included weeding the patio and trimming all of the shrubs. Without the help of the students giving up a day of their summer the clean up would not have been possible.
