

ATV, Snowmobile Grant Program Taking Applications

By State Rep. Joe Emrick

BETHLEHEM - The Department of Conservation and Natural Resources' Bureau of Recreation and Conservation recently announced it is accepting applications for the All-Terrain Vehicle (ATV) and Snowmobile Program's fall grant round.

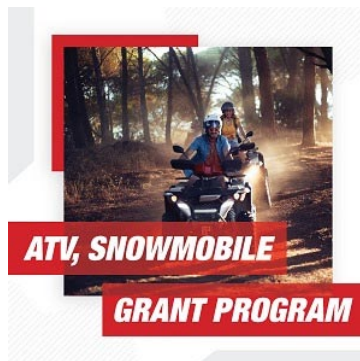

The program awards grants from the ATV and Snowmobile Management Restricted Accounts for projects proposing land acquisition, planning, development, rehabilitation, maintenance, equipment purchase or educational programs for ATV or snowmobile trails and facilities.

Eligible applicants include for-profit organizations, nonprofit organizations and municipalities in the Commonwealth.

Proposals must be submitted via DCNR's online grant application portal no later than 4 p.m. Friday, Sept. 29.

For assistance with the portal, contact the Department's Grants Customer Service Center at 800-326-7734 or DCNR-Grants@pa.gov.

Bureau staff are available to assist applicants with developing a competitive application and it is strongly recommended that prospective applicants contact their regional advisor early in the grant process.
