	Providing 20 Years of additional Disposal Service 	 70+ Truck CNG Fleet Reducing GHG Emissions by 15%

a WILD week IN REVIEW

I hope everyone has had a wonderful week! As summer comes to a close and the weather gets cooler, you may have some projects you're hoping to cross off your to-do list. If you need to renew your passport, access your social security benefits, or get help with any kind of federal agency, my team of constituent advocates is here to assist you! To contact my team, fill out the form on my website or give us a call at (484) 781-6000.

As our community's representative in Congress, I'm committed to putting the Greater Lehigh Valley on the map for national -- and international! -- leaders. I am so proud to call our district home, and I love being able to share the things that make us special with the world. To that end, I sat down with India's Consul General for our region, Binaya Srikanta Pradhan, this week. We discussed a variety of topics, including the number of students from India who will attend school at one of the Greater Lehigh Valley's amazing colleges and universities this fall. I am always thankful for the opportunity to promote the great resources our area has to offer!

Finally, I want to take a moment to thank my wonderful Washington, D.C. interns who concluded their summer internships this week. These talented young men and women from our community spent the last three months working day in and day out on behalf of my constituents. I'm so grateful for their service this summer, and I wish them all the best in their future endeavors!

Rep. Wild Celebrates PA-07's Ukrainian Community

Did you know that the Greater Lehigh Valley is home to one of the largest Ukrainian American populations across the United States? Throughout my time in Congress, I have been fortunate enough to get to know so many advocates and leaders in our Ukrainian American community and learn more about their culture and traditions.

This week, I stopped by the annual Ukrainian Festival in Lehigh, where I spoke about my unwavering support for Ukraine. Since the very beginning of Putin's unprovoked, unconscionable war, I have been steadfast in my support for the Ukrainian people. The United States has a responsibility to live up to our role as a leader on the world stage and stand with our allies when they are under attack. I look forward to continuing to stand arm-in-arm with the Greater Lehigh Valley's Ukrainian American community, and I hope all celebrating Ukrainian Independence Day tomorrow have a wonderful day.
