NEWS & EVENTS

## Stroudsburg VFD gets new utility vehicle

By State Rep. Tarah Probst

Recently, I had the opportunity to meet with members of the Stroudsburg Volunteer Fire Department to talk about their new utility terrain vehicle that I helped them acquire with a \$74,000 state grant.

the UTV will provide quicker access to homes and fires that are not easily accessible. Crews also say this will help in the event of a wildfire.

## Ramsey school reopens!

By State Rep. Tarah Probst

The closing of Ramsey Elementary inspired me to run for mayor of Stroudsburg, and seeing it reopened now as a state representative is one of the most incredible feelings. Thank you to everyone who worked to get the school back into shape for our young students. I am especially grateful to the Stroudsburg Area School District, the school board members, the Monroe County Commissioners, and Pocono Services for Family and Children for your dedication to reopening Ramsey.

We would like to thank everyone who has helped us bring this dream to fruition. The countless hours of work, volunteers, donations along with everything else paid off. Next week we open our doors to our kids and families! Here's to a successful school year.
