**When it comes**  
**to housing,**  
  
**little things**  
**shouldn't make**  
**a difference.**

If you have children and a landlord refuses to rent to you, requires a  
 higher security deposit, limits the use of facilities, or says you can only  
 live in certain areas of a housing complex... that could be discrimination.  
 And housing discrimination is against the law.
