## Meals on Wheels

We welcomed Rep. Ann Flood to our pickup site at the Slate Belt Senior Center at the Blue Valley Farm Show building yesterday. She joined us on one of the six routes that leave from this location each weekday and helped deliver meals to clients in and around Bangor.

## PA Farm Bureau Legislative Breakfast

On Wednesday morning, I had the pleasure of attending the annual Lehigh, Northampton and Monroe Counties Farm Bureau Legislative Breakfast. The event was held at Newhard Farms Corn Shed, a fifth-generation grain and vegetable farm spanning over 2,500 acres in Co-play.

Following the breakfast prepared with local produce, we gathered to discuss legislative updates and the challenges impacting the agriculture industry. We then toured their grain facility and sweet corn processing operation, gaining valuable insights into their day-to-day operations.

Farming and agriculture are vital industries in our Commonwealth, and it's crucial for legislators like me to engage directly with these important businesses. By visiting their facilities and hearing from Farm Bureau members, I'm better equipped to create legislation that supports their efforts in providing the food our families rely upon.
