

Bangor Area High School College and Career Fair

When? Friday, November 1st 2024, From 8:45–11:15*

*Please come 30 minutes early to set up
Where? Bangor High School's Gymnasium

Who should attend? Any Slate Belt or Lehigh Valley employer who can offer 9–12th grade students afterschool/summer jobs, job shadowing opportunities, internships, apprenticeships, or mentorship. We are also opening the fair to employers who will hire students without college degrees after high school graduation.

If you do not fit this criteria, we would be delighted to have you engage with our students as a "Lunch and Learn" guest speaker.

Through college and career exploration events like these, we hope to connect our students to future opportunities that are well suited to both our individual students and the larger Lehigh Valley and Slate Belt communities. We hope you can make it!

If you are interested, please contact Alex Ludman at ludmanal@bangorsd.org for more details

Bangor Area High School Partnership and Engagement Opportunities 2024-25

- **College and Career Fair** on November 1st, please see attached flyer
- **Lunch and Learn Sessions:** We're looking for guest speakers to present to our students on college and career pathways/preparation, mindfulness/mental health techniques, etc.
- **Vision Care:** We are looking for vision care for students without vision insurance. This has historically been a voucher program, where students get a free exam and pair of glasses.
- **Food/donations/gift cards:** Over the course of the year, we will be rewarding students for their positive behaviors, as well as teachers and staff for their hard work. Anything you can provide would help us greatly in creating a positive culture!

We welcome any and all engagement/partnership with our school! If you have any ideas, please reach out to ludmanal@bangorsd.org. Thanks!

A Closer Look at Efforts to Improve Water Quality

The Senate has led efforts in Pennsylvania to ensure access to clean water now, and to preserve this critical resource for future generations. Supporting clean water in Pennsylvania communities benefits our downstream neighbors as well.

This year's state budget includes \$50 million in recurring funding for the Clean Streams Fund, which helps farmers reduce sediment in waterways through the Agricultural Conservation Assistance Program. To date, the program has supported more than 700 projects to reduce sediment in waterways throughout the state.

Because of the initiative, water quality has improved in Pennsylvania and downstream. In fact, the Chesapeake Bay recently earned its best rating in more than 20 years from the University of Maryland's Center for Environmental Science Chesapeake Bay Report Card.

See how else we are working to make Pennsylvania a great place to live and work here.

JOIN THE NEW FARMER'S MARKET

We are thrilled to announce the launch of a brand-new farmers market in the area, featuring Pocono Organics as our main produce vendor!

MARKET DETAILS

First Saturday of Every Month • 9 A.M. – 1 P.M.
Tractor Supply - 5133 Milford Road, East Stroudsburg

WHY JOIN US?

- Support the community by providing fresh, healthy options
- Network with other local farmers and vendors

Interested in Becoming a Vendor?
Contact Tractor Supply at (272) 271-3020 for more information and to reserve your spot!
