

Bethlehem Township to Receive \$283,500 Grant for New Traffic Signal

By Rep. Joe Emrick

BETHLEHEM - I am happy to announce that Bethlehem Township will be receiving \$283,500 in grant funding for an emergency traffic signal at the intersection of 9th Street and Freemansburg Avenue. This new signal will help provide safe access for vehicles leaving the Bethlehem Township Volunteer Fire Company firehouse and will make it easier for their team to safely and quickly serve our community.
