

Bangor Area High School College and Career Fair

When? Friday, November 1st 2024, From 8:45-11:15*

*Please come 30 minutes early to set up
Where? Bangor High School's Gymnasium

Who should attend? Any Slate Belt or Lehigh Valley employer who can offer 9-12th grade students afterschool/summer jobs, job shadowing opportunities, internships, apprenticeships, or mentorship. We are also opening the fair to employers who will hire students without college degrees after high school graduation.

If you do not fit this criteria, we would be delighted to have you engage with our students as a "Lunch and Learn" guest speaker.

Through college and career exploration events like these, we hope to connect our students to future opportunities that are well suited to both our individual students and the larger Lehigh Valley and Slate Belt communities. We hope you can make it!

If you are interested, please contact Alex Ludman at ludmanal@bangorsd.org for more details

Bangor Area High School Partnership and Engagement Opportunities 2024-25

- **College and Career Fair** on November 1st, please see attached flyer
- **Lunch and Learn Sessions:** We're looking for guest speakers to present to our students on college and career pathways/preparation, mindfulness/mental health techniques, etc.
- **Vision Care:** We are looking for vision care for students without vision insurance. This has historically been a voucher program, where students get a free exam and pair of glasses.
- **Food/donations/gift cards:** Over the course of the year, we will be rewarding students for their positive behaviors, as well as teachers and staff for their hard work. Anything you can provide would help us greatly in creating a positive culture!

We welcome any and all engagement/partnership with our school! If you have any ideas, please reach out to ludmanal@bangorsd.org. Thanks!

WALDEN III Senior Living Community

Mom is happy and I finally have some peace of mind!

We were at an impasse. We wanted Mom to consider Personal Care but she was dead set against it. She can manage just fine, she insisted. I love her dearly but worry constantly. She reluctantly agreed to visit Walden III and they suggested a compromise. Independent Living! She gets to retain her independence and her dog and I enjoy the comfort and security knowing that help is **always** on hand.
