Pen Argyl Bark Park Pet Resource Fair

By State Rep. Ann Flood

The Pen Argyl Bark Park was full of wagging tails and smiling faces on Saturday for my Pet Resource Fair!

It was wonderful to see so many local families spending time with their furry friends while discovering helpful resources, programs and tips for pet care. Attendees had the chance to connect with experts, learn about adoption opportunities and explore services to make life with pets even better. My husband, Dan, and I brought along our dogs, Duke and Daisy, and my staff was also on hand to help make the day run smoothly and answer questions from attendees.

A special thank-you to all our vendors for making the event possible, including Freedom First Rescue, Mountain Mutts Grooming Salon, Doodie Hunters Pet Waste Removal, SOS Pet Rescue and VCA Animal Hospitals. Visit me on Facebook for more information and links to all our vendors.

I'm grateful to everyone who joined us and helped make the day such a success. Events like this are a wonderful way to celebrate the joy pets bring to our lives while strengthening our community.

Ladies, Schedule Your Screening!

By State Rep. Ann Flood

Today, I had my mammogram and wanted to remind everyone how important it is to make time for these routine screenings. The appointment was quick and easy, and it's one of the best steps we can take to protect our health. With Breast Cancer Awareness Month approaching in October, now is a great time to get checked!

As a member of the Governor's Advisory Committee for Women and the Women's Health Subcommittee, I know firsthand how important preventive care is.

If you're due for your mammogram, don't wait—schedule it today. Early detection saves lives.
