

Bangor Artisan Market & Kids Corner

Continued from page 1

The Historical Bangor Business Association's mission is to promote the great pride in our Culture and History while exposing visitors to our historical landmarks, extraordinary shops and eateries, thriving arts and cultural events and vibrant festivals.

Organizing these festivals and events is very important to the Bangor area as well as the Slate Belt Region as they showcase the unique aspects of Bangor's culture and promote positive messages to our visitors. They also contribute to local communities by providing opportunities for economic growth and fostering community spirit.

There are many new festivals planned each year. This takes Historical Bangor back to what it once was, the celebration of the spirit and community.
