"We invite our visitors to climb on one of our tour buses and see the tremendous amount of technology and care for the environment that goes into operating our landfill," Grand Central Senior Community Relations Specialist Adrienne Fors said. "Tour guests also learned about our wildlife habitat work and how the landfill is used to generate renewable electricity and funds for local economic development and scholarships."

2nd place Winners (\$600) were Pen Argyl Lodge No. 594, F. & A.M.

3rd place winners (\$400) were Slater Family Network Foundation, Inc.
