area. Some of the buildings and store fronts were in dire need of sprucing up. The buildings which feature beautiful architecture were in need of some TLC.

Laura McClain, Executive Director, Slate Belt Chamber of Commerce reached out to local real estate brokers for assistance and guidance to improve the Bangor Downtown and surrounding areas. Faith Sarisky, Realtor/Broker, of Realty Solutions PA, in Upper Mt Bethel Township, immediately knew she wanted to get involved and started contacting fellow real estate brokers, who also agreed to be on board. Faith, who now spearheads the project began contacting the building's owners to ask permission to paint the building facade. Faith posted a sign on the building with her business name and immediately thought it would be a great opportunity for other businesses to sponsor to not only gain recognition for their businesses, but

also assist in giving the buildings a welcoming appearance.

#Beautify Bangor just took off. Businesses started calling inquiring about sponsorship, artists called who were interested in painting and residents wanted to volunteer their time. It's been incredible to say the least, considering the uncertainty we are all facing today," said Faith. "We want folks to think of Bangor as an artist destination. Located just 1 1/2 hours from NYC and 1 1/2 hours from Philadelphia, Bangor offers many wineries, breweries, eateries, outdoor recreation such as the Appalachian Trail and Delaware river.

We are a lovely historic bedroom community located at the foothills of the Poconos. Come visit Bangor PA. It will be worth the drive!
