**When it comes  
to housing,  
little things  
shouldn't make  
a difference.**

If you have children and a landlord refuses to rent to you, requires a higher security deposit, limits the use of facilities, or says you can only live in certain areas of a housing complex... that could be discrimination. And housing discrimination is against the law.

**WALDEN III**  
Senior Living Community  
Mom is happy and I finally have some peace of mind!  
We were at an impasse. We wanted Mom to consider Personal Care but she was dead set against it. She can manage just fine, she insisted. I love her dearly but worry constantly. She reluctantly agreed to visit Walden III and they suggested a compromise, Independent Living! She gets to retain her independence and her dog and I enjoy the comfort and security knowing that help is always on hand.
