Visiting Forks Education Center

By Rep. Ann Flood

I had a wonderful time visiting Greater Valley YMCA's Forks Education Center, where I was greeted by so many smiling faces. It was a pleasure meeting the enthusiastic children and reading a fun story to them!

I also had the opportunity to speak with the dedicated staff, and we discussed the critical role that high-quality child care plays in supporting families and fostering a strong community. Ensuring our children have access to the best possible care is essential for their development and well-being.

Blue Valley Rescue Squad Open House

By Rep. Ann Flood

Last week, Lisa from my district office visited the Blue Valley Rescue Squad's open house in Bangor. Guests had the opportunity to explore the specialized vehicles and equipment the team uses to protect our families and community. The squad also shared their plans to expand their organization within the Slate Belt region and are always seeking volunteers and support to make this happen. Thank you to everyone at Blue Valley Rescue for your dedicated service!
