

Bangor Area High School College and Career Fair

When? Friday, November 1st 2024, From 8:45–11:15*

*Please come 30 minutes early to set up
Where? Bangor High School's Gymnasium

Who should attend? Any Slate Belt or Lehigh Valley employer who can offer 9–12th grade students afterschool/summer jobs, job shadowing opportunities, internships, apprenticeships, or mentorship. We are also opening the fair to employers who will hire students without college degrees after high school graduation.

If you do not fit this criteria, we would be delighted to have you engage with our students as a "Lunch and Learn" guest speaker.

Through college and career exploration events like these, we hope to connect our students to future opportunities that are well suited to both our individual students and the larger Lehigh Valley and Slate Belt communities. We hope you can make it!

If you are interested, please contact Alex Ludman at ludmanal@bangorsd.org for more details

Bangor Area High School Partnership and Engagement Opportunities 2024-25

- **College and Career Fair** on November 1st, please see attached flyer
- **Lunch and Learn Sessions:** We're looking for guest speakers to present to our students on college and career pathways/preparation, mindfulness/mental health techniques, etc.
- **Vision Care:** We are looking for vision care for students without vision insurance. This has historically been a voucher program, where students get a free exam and pair of glasses.
- **Food/donations/gift cards:** Over the course of the year, we will be rewarding students for their positive behaviors, as well as teachers and staff for their hard work. Anything you can provide would help us greatly in creating a positive culture!

We welcome any and all engagement/partnership with our school! If you have any ideas, please reach out to ludmanal@bangorsd.org. Thanks!

SENATOR ROSEMARY BROWN Pennsylvania's 40th District E-Newsletter

Lackawanna, Monroe & Wayne Counties

I'm excited to announce the launch of a comprehensive FAQ webpage have created to help answer your most common questions about Pennsylvania's election process.

Civic engagement and secure elections are the bedrock of our Republic. When citizens actively participate and voting is conducted with integrity, we strengthen the foundation of our nation—ensuring that every voice is heard, every vote is counted, and trust in our institutions is upheld. As your state Senator, my goal is to uphold these values.

Unfortunately, I regularly receive feedback that individuals do not know where to find trusted, factual, and simply unbiased information regarding our elections. It is my hope this FAQ page will be a source of trusted and impartial information for all Pennsylvania voters, whether you are Democrat, Republican, or Independent.

For more information and to access the FAQ page, please visit Brown's official website here.

October is Breast Cancer Awareness Month

As we kick off Breast Cancer Awareness Month in Pennsylvania, we honor the brave survivors, fighters and advocates who inspire us all in the battle against breast cancer. Each year, we turn the Capitol fountain pink as a powerful reminder of our commitment to raising awareness, advancing research and supporting early detection efforts.

This month serves as an important time to reflect on the progress we've made and the work that still lies ahead. One in eight women will get breast cancer in her lifetime, so early detection and access to life-saving treatments remain critical. We stand united in spreading awareness and fostering hope, reminding everyone that we can make a lasting impact in the fight against breast cancer.
