RESIDENTIAL AND COMMERCIAL FAÇADE IMPROVEMENT PROGRAM

The Residential and Commercial Façade Improvement Programs are designed to help improve the exterior appearance and condition of residential and commercial properties within the four boroughs. The program's goals are to maintain historical and architectural integrity, improve neighborhood appearance, and help property owners make exterior repairs to their homes or businesses while increasing property values for all borough residents.

ABOUT SLATE BELT RISING

Slate Belt Rising is a neighborhood revitalization initiative designed to integrate and capitalize on the substantial assets of the individual Slate Belt boroughs of Wind Gap, Pen Argyl, Bangor, and Portland. While Slate Belt Rising specifically targets these four boroughs, some initiatives promote development and coordination of services throughout the entire region.

More information is available on our website under the Services tab, including program guidelines and applications Visit slatebeltrising.org.

WALDEN III

Senior Living Community

Mom is happy and I finally have some peace of mind!

We were at an impasse. We wanted Mom to consider Personal Care but she was dead set against it. She can manage just fine, she insisted. I love her dearly but worry constantly. She reluctantly agreed to visit Walden III and they suggested a compromise. Independent Living! She gets to retain her independence and her dog and I enjoy the comfort and security knowing that help is **always** on hand.
