Wills for Heroes

Free Service to Veterans, First Responders,
Spouses/Partners

Saturday, November 9, 2024

Monroe County Bar Association
Hosted by American Legion Post 346
126 E. 5th Street
East Stroudsburg PA 18301

In partnership with the Pennsylvania Bar Association's Young Lawyers Division, the Monroe County Bar Association is honored to invite you to participate in our upcoming **Wills for Heroes** program. This program is a free service that provides Wills*, Living Wills, and Healthcare and Financial Powers of Attorney to first responders, and their spouses and partners.

If you die without a Will, Pennsylvania's intestate laws will determine who will receive your property. Undoubtedly, your loved ones' grief will be overwhelming; a clear expression of your intent, desires, and wishes may help ease some of this inevitable burden. While nobody likes to think about an untimely death, it is best that you express your wishes through a written document. For your family's peace of mind, please consider this invaluable opportunity, offered completely free to you and your spouse/partner.

On **Saturday, November 9, 2024**, volunteer attorneys will be conducting a **Wills for Heroes** program. This event will be held at the **American Legion Post 346, 126 East 5th Street, East Stroudsburg PA**. Each appointment lasts approximately 1 hour and at the conclusion of it you will have notarized legal documents – a Will, Living Will, and Health Care and Financial Powers of Attorney (or any combination thereof). Appointments are being scheduled from **11:00 AM to 4:00 PM**.

Registration is required. Due to scheduling, walk-ins *may* not be accommodated. Register at:

www.pabar.org/wfh

The password is **WFH**.

You and your spouse/partner will have back-to-back appointments. Please schedule your appointment early as this event is sure to fill up fast.

If you have any questions about the program, please contact Lori Siegle at lori@monroebar.org. For more information on the program, visit the Pennsylvania Bar Association at [Wills for Heroes \(pabar.org\)](http://WillsforHeroes(pabar.org)).

*If your estate exceeds approximately **\$1,000,000**, this service is unavailable to you due to the complexity of your estate and the limited time to complete the legal documents. *For determining if your estate is over \$1,000,000, include your cash, personal property, stock and bonds, real estate equity, savings, cash value of a whole/universal life insurance policy only (not the amount of the insurance policy).*

'Store Of The Future': Lehigh Valley Dunkin' Moves To Nearby Location With Upgraded Features

By Ryan Kneller 69 News

WIND GAP, Pa. - A former hot spot for burgers and fries is now home to a popular coffee and doughnut chain in Northampton County.

A "Next Gen" location of Dunkin', the country's largest coffee and doughnuts brand, on Thursday opened its doors at 938 S. Broadway in Wind Gap.

The eatery's new, renovated site previously housed a Burger King restaurant, which closed in December 2021.

It features a new layout, with expanded seating areas, along with other improvements such as new flooring, lighting, counters and equipment.

"Now, people who live and work in Wind Gap can run on Dunkin' faster and more conveniently than ever before at this new Next Gen restaurant located at 938 South Broadway in Wind Gap, PA," a news release states.

"The new Next Gen restaurant offers Wind Gap a first-hand look at Dunkin's store of the future experience, with a modern design that provides a fresh, friendly, vibrant, and engaging environment. Complete with a new, warm interior color palette, the restaurant also offers atmospheric lighting, a convenient drive-thru, complimentary WiFi, and an innovative tap system."

Elements of the new restaurant experience at the Wind Gap location include:

"Modern Design": The openness, colors and materials used in the design help create "an approachable, positive, and energetic environment," the release states. One example of the eye-catching design is a front-facing bakery case for an even closer look at the baked goods.

"Premium Pours": Dunkin's signature cold beverages are poured through an innovative tap system, serving a variety of consistently cold sips, such as iced coffee, iced tea, Cold Brew and Nitro-Infused Cold Brew (a Next Gen exclusive). "Crew members also use top-quality, flavor-maximizing espresso machines to make handcrafted drinks to order," the release continues.

"Dunkin' on Demand": Dunkin' has introduced an area dedicated to mobile pickups so that members of the Dunkin' Rewards program who order ahead via Dunkin's Mobile App can get in and out of the restaurant faster than ever before. For all orders placed for pick-up inside the restaurant, guests will be able to track the status of their order via a new digital order status board.

"Increased Energy Efficiency": Next Gen restaurants are designed to meet DD Green Achievement specifications. Stores that achieve DD Green Achievement status are built with sustainable and efficient elements like LED lighting, high-efficiency mechanical equipment, low-flow faucets and more. DD Green Achievement restaurants are performing better than designed. On average, they are 33% more energy efficient compared to conventional Dunkin' restaurants.

The 2,2477-square-foot restaurant employs approximately 12 crew members and is open 4 a.m. to 7 p.m. daily.

Including the new Next Gen Wind Gap restaurant, Dunkin' franchisee Deepak Patel currently owns and operates 26 Dunkin' locations throughout Pennsylvania.
