Showcasing the Beauty of Northeast Pennsylvania: Submit Your Photos for 'Scenes from the 40th District'

By Senator Rosemary Brown

I'm excited to invite residents of the 40th Senatorial District to participate in the Scenes from the 40th District photo gallery! This initiative is an opportunity to highlight the stunning landscapes, vibrant community life, and rich history of our region through the lens of local photographers.

I encourage everyone to submit their best photos capturing the natural beauty, community events, historical landmarks, and everyday moments that make our district special. Whether it's a breathtaking view of the Pocono Mountains or a snapshot of life in our local towns, this is your chance to showcase what makes Northeast Pennsylvania unique.

To participate, simply complete the online submission form and upload your photos here. All submissions must be original, high-quality images taken by residents within the district, which includes parts of Lackawanna, Wayne, and all of Monroe County.

All submitted photos will be displayed in our Scenes from the 40th District gallery and may also be featured on my social media channels and in district publications. Each week, one standout photo will be featured in my e-newsletter and on Facebook.

I can't wait to see the creativity and vision of our local photographers!
