OCTOBER IS
**BREAST CANCER
AWARENESS MONTH**

**October is Breast
Cancer Awareness
Month**

By Rep. Joe Emrick

BETHLEHEM - To honor those
who have fought breast cancer or
who are fighting it now, the foun-
tain at the Pennsylvania State
Capitol's East Wing has been
died pink again this year in recog-
nition of October as Breast Can-
cer Awareness Month.

According to the American Can-
cer Society, breast cancer is the
most common cancer in women in
the United States, except for skin
cancers. It represents about 30%
of all new female cancers each
year. Breast cancer is the second
leading cause of cancer death in
women, second only to lung can-
cer.

The pink fountain is also a re-
minder to all women of the impor-
tance of mammograms and early
detection. People with low to mod-
erate income who are uninsured
or underinsured and meet certain
age requirements may qualify for
testing through the Pennsylvania
Breast and Cervical Cancer Early
Detection Program.
