Director Duyssen thanked the people who helped her improve the renovated office and the chambers inter working.

She gave them each a gift and thanked them for their service to the chamber: Building landlord Helen Beth Vilcek generously sponsored the majority of the renovation project which included painting, carpet, constructing a new wall, updating bathroom fixtures, replacing the front door and more. The work was completed by her hardworking maintenance manager Charlie Lobb.

Blythe Kratzer, 2023 Bangor graduate was commissioned to create the 'Slate Belt' painting that hangs in the office.

Michele Kondos volunteered her time to redesign the Chamber logo last year.

JT Racowski, Blue Mountain Network Services (Chamber member) completely revamped the Chamber's website, spending many nights/weekends to meet deadlines to promote restaurant week.

Jennifer Smith, JCC Screeprinting (Chamber member) designed, produced and applied the office wall decals; then kindly donated them as a contribution to the renovations.

The Chamber intends to use the renovated space to offer various workshops for local entrepreneurs, such as the upcoming SBDC training 10/17 and a Marketing Workshop on 11/6. Visit www.slatebeltchamber.org for more information on membership and upcoming events.

Several businesses set up information tables with informative handouts including Slate Belt Branch of the Greater Valley YMCA, Lehigh Valley Health Network, Blue Mountain Network Services and more. Lunch was provided to attendees, and Fidelity Bank employees handed out free ice cream.
