Senior Fair

By State Rep. Joe Emrick

We had a great turnout for our recent annual Senior Fair held at the Charles Chrin Community Center in Palmer Township. I hope everyone who attended had an enjoyable and informative experience and left with plenty of helpful information.

I'd like to thank all the exhibitors, health professionals and the students and staff from Colonial Intermediate Unit 20's Café 71, which provided all the coffee for the event. I'd also like to thank my staff for their tireless efforts to organize the event and make the day a success.

529 College Savings Plan and Unclaimed Property Seminar

By State Rep. Joe Emrick

I recently held a 529 College Savings Plan and Unclaimed Property Seminar at the Nazareth Area High School LGI Room. During the event, Jolene Miraglia of the Pennsylvania Treasury Department educated

October is Breast Cancer Awareness Month

By State Rep. Joe Emrick

To honor those who have fought breast cancer or who are fighting it now, the fountain at the Pennsylvania State Capitol's East Wing has been dyed pink again this year in recognition of October as Breast Cancer Awareness Month.

Breast cancer is the most common cancer in women in the United States, except for skin cancers. It accounts for about 30% (or 1 in 3) of all new female cancers each year. It is the second leading cause of cancer death in women, second only to lung cancer.

The pink fountain is also a reminder to all women of the importance of mammograms and early detection. People with low to moderate income who are uninsured or underinsured and meet certain age requirements may qualify for testing through the Pennsylvania Breast and Cervical Cancer Early Detection Program. To learn about the program and eligibility, click here <https://links.pahousenews.com/q/Ch2DDhUXgE0XRljLr1O9EGHob9rBEqbQzSMZcOJYnZ0aW1lc0ByY24uY29tw4gEMAqCoe1e7xPLRWVVCW0q0hPGlg>.
