

# Spooktacular Night In Bangor, Halloween Parade Returns To A Downtown Route

By Michael Ortoski

BANGOR - "It was a wonderful time had by all, and we have our amazing community, parade participants, volunteers, the members of Bangor Elks #1106, our public works department, fire and police, council members, and administration to thank" said Bangor Borough.

The Borough hosted a 'Spooktacular night' in downtown Bangor Borough with Halloween parade returning to a downtown route.

Quarry Bites & Brews was open from 5-9pm (last one for 2024) for food trucks, beer, wine, ice cream, and live music right in the parade route.

The downtown businesses were open and waiting to serve coffee, pub fair, gifts, ice cream, and more! There were lots of great viewing opportunities to be had on Broadway between Main St. and 1st St., as well as S. Main St. between Richmond Ave and Broadway.
