Flood & Boscola Announce \$4,390,000 in State Grants for Public School Facility Improvements and Public Safety, Community & Economic Development Projects in the Slate Belt

By Rep. Ann Flood

Bethlehem, October 22, 2024 - - State Senator Lisa Boscola and State Representative Ann Flood today announced state funding totaling \$4,390,000 for projects in the Slate Belt through the new Public School Facilities Improvement Program and the Local Share Account - Statewide (LSA).

"I am pleased to announce these grants throughout the Slate Belt that will improve school facilities that are in need of improvements and upgrades to improve the learning environment for our students and teachers along with projects that will enhance public safety and quality of life for residents," Boscola stated. "I will continue to fight hard to make sure the Slate Belt gets their fair share of statewide dollars to complete priority projects as identified by local government leaders," Boscola added.

"I am excited to see these critically important funds allocated for our schools and communities," said Rep. Flood. "These grants will enhance our school facilities and strengthen public safety, ultimately improving the quality of life for everyone in the Slate Belt. I have been working tirelessly to bring these resources to our region, and I am eager to see the positive impact they will have on our students and residents."

Portland Founders Day Celebration

By Rep. Ann Flood

Also on Saturday, I attended the Second Annual Portland Founder's Day celebration. I had a wonderful time connecting with many residents from the 138th District and stopping by the Community S'mores Table to roast marshmallows for a delightful treat. This fun event featured hayrides, a bounce house, face painting, live music, and plenty of entertainment! My staff and I set up a table to provide attendees with information about the services my office offers and upcoming community events.
