

Awards for Outstanding Northampton County Residents

By **Brittney Waylen**

EASTON - Northampton County will recognize several municipal employees, emergency personnel, and residents for the positive impact they have on our community at County Council's Economic Development Committee meeting on Thursday, November 2nd.

"Unfortunately, we could not present Awards for Outstanding County Residents at this year's County Festival, which was cancelled due to inclement weather. However, it is a privilege to recognize and honor our citizens who give so much of themselves to their communities," says County Executive Lamont G. McClure.
