Victoria's Law: Advocating for Ethical Pet Sales

By State Rep. Ann Flood

Last Monday, I joined fellow legislators, advocates and community members at the Pennsylvania Capitol to support Victoria's Law, a critical bill that would prohibit the sale of dogs, cats and rabbits from commercial breeding facilities in pet stores across the Commonwealth.

Victoria's Law is about more than protecting animals. It promotes transparency, supports ethical breeders and rescues, and ensures Pennsylvania leads the way in responsible pet ownership. Named after a German shepherd rescued from a puppy mill, this legislation honors her legacy by advocating for those who cannot speak for themselves.

I'm proud to support this effort and will continue working to ensure its passage.

Help Fight Food Insecurity

By State Rep. Ann Flood

We're doing our part to combat food insecurity in the 138th District. My office is currently collecting non-perishable food items, including pasta, baby food, soups, and more, to donate to local food banks.

Items can be dropped off at our office Monday through Friday, 9 a.m. to 4:30 p.m. Please note we will be closed on Election Day and Veterans Day.

Location: 962 Pennsylvania Ave., Pen Argyl, PA 18072

Join Me for My Special Needs Expo

By State Rep. Ann Flood

I'm excited to invite you to my Special Needs Expo on Saturday, Nov. 15, from 10 a.m. to 1 p.m. at the Forks Township Community Center in Easton. This event is all about connecting our community with the resources and support that make a real difference for individuals and families living with special needs.

You'll have the opportunity to meet vendors from government, nonprofit and private organizations, all ready to share information about programs, services and products that can help meet the unique needs of our residents. Whether you're seeking guidance, exploring new opportunities or simply looking to learn more, there's something for everyone.

Let's come together to build connections and strengthen our community. I hope to see you there!
