The Region's Original Walk-Through Lights Extravaganza Returns to Lehigh Valley Zoo on Nov. 14

By Matt Provence/Chief Operating Officer

(Schnecksville, Pa.) — Lehigh Valley Zoo has revealed the Princess Performance Schedule for its 12th-annual Winter Light Spectacular (WLS), presented by Service Electric TV & Communications and powered by Christmas Decor, which opens on Friday, Nov. 14. The performances and meet-and-greet sessions have been a guest favorite at Eastern Pennsylvania's most popular holiday tradition. Tickets to all 37 scheduled dates are available at winterlightspectacular.com.

A complete performance schedule can be found at bit.ly/PrincessesWLS.

Each night features at least two beloved performers. Once again, the popular Elsa will perform every night; and she will be joined by her sister, Anna, to perform together every Saturday.

LV Zoo staff is excited about a brand new WLS experience that is scheduled for two dates. In honor of Taylor Swift's 36th birthday, a Swift Sing-Along with Jo will take place on Friday, Dec. 13. There will encore presentation on New Year's Eve, Wednesday, Dec. 31.

A trio of Wicked Wednesdays will feature the first-ever WLS appearances by Glinda, Elphaba and Fiyero on Nov. 26 and return appearances by Glinda on Dec. 10 and Dec. 17. Sally from Nightmare Before Christmas will make her one annual appearance on Wednesday, Dec. 3. Snow White will also make a WLS debut on Tuesday, Dec. 6.

Other returning princesses making multiple appearances throughout WLS are Ariel, Aurora, Belle, Cinderella and Rapunzel. As in years past, there will be a Princess Party – featuring six performers – on the final night of the event, Saturday, Jan. 3.

Additionally, there are five scheduled Fridays that feature a meet-and-greet with Jessie from Toy Story (Nov. 21, 28; Dec. 5, 19; Jan. 2).

Located at LV Zoo in Schnecksville, Pa., WLS is the Zoo's largest annual fundraiser and was featured by USA Today in "Holiday light displays worth traveling for across America." In addition to 1.2 million lights – a total more than any other Pennsylvania attraction – WLS also features classic holiday scenes, numerous photo opportunities, multiple fire pits, hot chocolate and so many other holiday treats. Dan's Camera City will be back offering picture packages with Santa Claus during select time frames at select event dates through Dec. 23. Again, visit winterlightspectacular.com for dates, times and promotions.

Revenue from the event supports animal conservation projects and programs at the LV Zoo. While guests may spot some of the Zoo's "night owls" during WLS, most of the animals will be off exhibit.

Please visit winterlightspectacular.com or follow the Zoo on Facebook for daily WLS updates, promotions, contests, weather cancellations and so much more.
