## NCC's Winter & Spring Registration is Now Open

By NCC

BETHLEHEM - Take advantage of NCC's 100% online accelerated winter courses, or get enrolled for the upcoming spring semester.

Registration for Northampton Community College's 4-week winter session and spring semester are officially open! With a multitude of options to choose from, students can enroll in the courses they need to reach their goals.

Whether students are new to NCC, visiting from another college to earn additional credits, or are a current student, winter classes provide the opportunity to get ahead for their spring semester or wrap up their college degree by taking a course or two in a condensed format. Classes begin December 11 and are offered exclusively online to give students the flexibility to fit their busy schedules while still allowing them time to enjoy the holiday season from the comfort of their home. View our winter course list here.

Students can also now enroll in spring classes to ensure they get the classes they want at the times they prefer. Our traditional 14-week spring semester and 7-week Accelerated I session begin January 16. Our 9-week Mid-Spring semester begins February 20, and our 7-week Accelerated II session starts March 12. Learn more about registering for classes here.

If you're new to NCC and would like to learn more about campus before enrolling in courses, join us at our upcoming on-campus Info Session on November 27, and get all your questions answered at once! You'll get a tour of campus, an overview of the programs we offer, resources available to students, the financial aid process, and more. Register for the event here.

If you need assistance applying, choosing the right classes or have questions, get in touch with our enrollment services team or take advantage of walk-in or virtual hours. Contact our admissions team at [adminfo@northampton.edu](mailto:adminfo@northampton.edu) or 610-861-5500.
