## Honored by Our Small Businesses

By Rep. Ann Flood

BATH - Yesterday, the National Federation of Independent Businesses (NFIB) presented me with a Guardian of Small Business award for the 2021-22 legislative session. It was an honor to earn a perfect score.

Our small businesses are the backbone of our Commonwealth's economy, and we must remove big government barriers in order for them to succeed!

## Celebrating a 250th Anniversary!

By Rep. Ann Flood

BATH - This past Sunday, I had the distinct honor to present a House citation on behalf of the Commonwealth of Pennsylvania to Salem United Church of Christ in Bath, PA.

This presentation was to mark the celebration of their 250th anniversary. They have provided a wonderful service to their congregation and the surrounding community.

Congratulations to Salem United Church of Christ on this momentous occasion!
