Cetronia Honored with Milestone Award for 70 Years of Service

By Robert F. Mateff Sr. / Chief Executive Officer

Cetronia Ambulance Corps is proud to have received a Milestone Award from the Greater Lehigh Valley Chamber of Commerce in recognition of our 70th anniversary. The award was presented during the Greater Lehigh Valley Chamber of Commerce's Annual Meeting at the Wind Creek Event Center on November 6th.

From our humble beginnings in a barn on 40th & Walnut Streets to becoming a state-of-the-art emergency medical services organization, Cetronia has grown alongside our community every step of the way. We're deeply grateful for this recognition and for the continued support of those who make our mission possible!

RYAN MACKENZIE

U.S. CONGRESS

By Congressman Ryan Mackenzie

Two months ago, I joined a bipartisan majority in the U.S. House of Representatives to pass a clean, nonpartisan bill to keep the government open. That bill continued to receive bipartisan support in the Senate, but some Senate Democrats repeatedly blocked it from receiving the 60 votes required — causing the longest shutdown in our nation's history. This week, the Senate finally acted, and on Wednesday night, the House passed a bipartisan agreement, which has now been signed into law. The government is officially reopened.

This shutdown created enormous hardship for families across the Lehigh Valley and the Poconos — from missed paychecks to delayed benefits and major service disruptions. Throughout this period, my team and I worked across the district to support impacted families and organizations. In recent weeks, we have delivered food to TSA agents and air traffic controllers, met with officials at local food banks, helped WIC providers secure urgently needed funding, and visited children and families who lost access to Head Start.

Government shutdowns should never be used as a political tool, and I will continue advocating for responsibility, bipartisanship, and the needs of the people I serve.
