My Offices Will Temporarily Close to In-Person Service

By Senator Scavello

PEN ARGYL - In order to help contain the spread of COVID-19 and protect the health and safety of local residents and office staff, beginning Monday, Nov. 23rd my district offices will be closed to in-person service. I want to be clear that while other offices are still working from home, staff and I will remain in the office as we have been since the pandemic began. Staff will continue to be available by phone and email. This will be the same as what we did earlier in the year. The decision to do this was brought on by the current spike in cases of COVID-19 that we are continuing to see. I am taking this measure to keep my staff safe along with the public. By doing this, it will ensure that my staff and I are available to continue to help the constituents of the 40th District.

If you need a service that requires access to the office, we will do our best to accommodate you in a safe manner. As they have been, masks will be required, and we ask that you follow the 6 foot social distancing guideline. These services may include notaries, faxing, copies, help with forms, etc. We will be doing our best to be safe while continuing the level of service that we are known for giving our constituents. We ask for your patience and understanding as we do our best to continue to serve the people of the 40th Senate District.
