Annual Special Needs Expo

By Stste Rep. Ann Flood

PEN ARGYL - This past Saturday, I hosted my 2023 Special Needs Expo at the Forks Township Community Center in Easton. We had a fantastic turnout with many people from the community in attendance. Thank you to all who came out and enjoyed the informative event.

This is a much-needed event to assist connecting families with services they had no idea were available to them. One woman walked out with a smile on her face and said to me, "I'm leaving here optimistic!" This is why this event is so important to the community.

Participating vendors offered valuable information on programs, services, and products designed specifically for residents living with special needs and their families. I'm excited about the success of this event and eagerly look forward to hosting another Special Needs Expo next year!
