STROUDSBURG - "Hello friends ! I wanted to thank you for your support of Fusia's nonprofit and all you have done as active members of the board and/or community supporters" said Francesca Marinaro Owner of Fusia Community Arts.

I wanted to share the exciting news that Fusia has relocated to a beautiful new space at 40 North 2nd Street in Stroudsburg, Pa. The space has over 10,000 square feet of studios and we have been busy bees renovating over the past few months.

We have officially opened our doors and are so excited to welcome the community to see the space at our Grand Opening Event this past Sunday.

We had wonderful live performances by our youth and professional dance and theater companies! At 3:00pm we will haveWe had a special ribbon cutting ceremony with local legislators Senator Rosemary Brown and State Rep. Tara Probst. We also had many local vendors there and a fun tricky tray raffle!

Along with this excitement, we have also partnered with the Sherman Theater's Arts Annex at 530 Main Street to run our sister programs with In2YouArts! We are very excited to support our friends who run the Art Gallery at 530 Main as well as everyone at the Sherman Theater!

We are also excited that our partners at CPDLF have opened a beautiful new center as part of the 40 North 2nd Street space making it a truly exciting time for all!

I am also very thrilled to announce that our non-profit is currently undergoing some changes to include all arts and humanities! We are in the process of finalizing our new name to be "Fusia Community Arts" in hopes to expand our reach and create new collaborations, partnerships and most importantly opportunities for our young artists!

Thank you again for the support, belief and encouragement to keep creating, sharing and growing to new heights! Hope you have a happy and healthy holiday season!
