a WILD week IN REVIEW

First and foremost – to all of our Jewish friends and community members, Happy Hanukkah! I hope your celebrations are joyful and filled with loved ones. I've had a hectic week here in D.C., but my team and I made sure to join in the festivities.

This week, families around our community, commonwealth, and country gathered to celebrate the first nights of Hanukkah. At a time while dangerous antisemitism has been on the rise across our country, I was glad to gather with my colleagues, friends, and staff to celebrate the first day of Hanukkah and the resilience of the Jewish people.

However you celebrate this year, I hope these eight days are filled with light, love, and peace. From my family to yours, Happy Hanukkah!

There was much to celebrate this week! I was thrilled to be named a Lehigh Valley Business Icon Honoree for 2023. I've often said it, but I strive to be the Greater Lehigh Valley's biggest cheerleader, although my fellow honorees may give me a run for my money. Congratulations to all the other award recipients for their work to improve and uplift our community.

Finally, as holiday celebrations begin and the year comes to a close, don't forget my district offices are here to help! If you need help with any federal agency, please do not hesitate to stop by my district offices in Easton, Lehighton, and Allentown, or give them a call at (484)781-6000.

Rep. Wild Shares Her Plan to Lower Drug Costs for Americans

When I first ran for public office, I heard about the devastatingly high price of prescription drugs over and over from families across our community. I have made it my mission to fight to lower the cost of these drugs while in Congress. Last year, I was proud to support the passage of the Inflation Reduction Act, which helped set the price of insulin for individuals on Medicaid and allow the federal government to negotiate the price of medications.

I am keeping up the fight to ensure all families in America can afford the life saving medications they need. That's why I'm fighting to pass the Affordable Insulin Now Act, which would set the price of insulin at \$35 a month for all Americans. To learn more about the Affordable Insulin Now Act, and the other legislation I am pushing to pass to lower drug costs, click here. https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=PA15SW&crop=15486.35022326.5579291.7472340&report_id=&redirect=https%3a%2f%2fwww.lehighvalleynews.com%2fhealth-news%2fwill-prescriptions-be-cheaper-in-2024-a-local-legislator-has-plans-to-make-that-happen&redirect_log=14517639583904.
