

# Mr Pasti

Continued from page 1

Mr. Pastie produces fresh, warm meat & vegetable turnovers called pasties. Pasties are traditional in the coal mining regions of Pennsylvania and in Welsh communities around the world. Many hardworking quarrymen with Cornish ancestors carried a pastie in a "blickey" (metal lunch pail) for "peace" (break time). Only a pastie was big enough to satisfy their lunchtime appetites. Mr. Pastie meat and vegetable are always handmade and finger-crimped.

The homemade pasties still melt in your mouth. The secret is in the crust; tender and flaky pie crust. Enjoy Mr. Pastie as a hot lunch on the go, a sit-down dinner, or even "brown-bag it" as a cold sandwich. There are partially baked varieties and fully baked heat 'n' eat microwaveable varieties. Our products can be found in supermarkets across the Mid-Atlantic region. Find your nearest retailer by visiting our locations page.
