Art of the State Showcases PA's Talents

By Rep. Joe Emrick

The State Museum of Pennsylvania and the Pennsylvania Heritage Foundation are inviting artists and craft-people to submit applications to exhibit their work in Art of the State 2025. Now in its 58th year, this prestigious juried exhibition boasts a tradition of presenting highly creative art by Pennsylvanians, chosen by a distinguished panel of jurors.

The call for entry for Art of the State 2025 is open to Pennsylvania residents who are at least 18 years of age. Artists may submit work in one or more of five categories: painting, work on paper, sculpture, craft and photography/digital media. More than \$5,000 in cash awards will be presented.

The deadline for entries is Friday, Jan. 17, 2025. The exhibition will be open from Sunday, June 8, 2025, through Sept. 14, 2025.

The Art of the State 2024 exhibition is currently in place at the state museum and will close Sunday, Jan 5, 2025.

More Retirees Eligible for Reduced-Fee Vehicle Registration

By Rep. Joe Emrick

A new state law will allow more Pennsylvania retirees to qualify for a reduction in their vehicle registration fee which takes effect this Sunday.

The benefit now will be available to retired persons earning up to \$29,906, an increase of more than \$10,000 from the prior income eligibility limit. Those who qualify will pay an \$11 processing fee to register their vehicle each year, rather than the standard \$45 registration fee.

Qualified applicants must be retired and receiving Social Security or other pension payments. Please note, 100% of a veterans' benefit payment or payment to the unmarried surviving spouse, upon the death of a veteran, should be excluded from the income calculation.

The applicant must be listed as an owner on the vehicle's registration and only one vehicle per qualified applicant may be registered for the reduced fee. Qualifying vehicles must be a passenger car or truck with a registered gross weight of not more than 9,000 pounds.
