York State Fair, Bloomsburg Fair or the Allentown Fair, they all exemplify the connectivity to our future 4-H and FFA involvement. The skills developed and the life lessons earned from these youth participating in, in-school and hands-on programs are immeasurable as our youth progress to becoming our true future "leaders of tomorrow" and to becoming leaders in, Connecting Our Communities.

The largest indoor agricultural exposition in the United States provides a vast array of opportunities both in the competition and in the educational areas. There are hundreds of classes of competition for young and old alike to be involved in, to seek that Farm Show Blue Ribbon or that cherished championship Walnut-ShieldContinue Plaque. Also, everywhere one looks, there are possibilities to learn some- thing about Pennsylvania's \$132.5 billion Agricultural Industry. Come! Touch! See! Enjoy! The results of, Connecting Our Communities. Go to https://www.farmshow.pa.gov/pafarmshow/Pages/default.aspx to get all the info on the show.
