Ohio Twins Run From California to Chelsea Sun Inn In Upper Mt. Bethel Pa. On Way To N.Y. For Covid Relief Effort

By Michael Ortoski

UPPER MT. BETHEL — It all started with a late night call to the Chelsea Sun Inn. “We don’t take calls for our rooms after a certain hour, but this call woke me from my sleep” said co-owner James Howard, I’m glad it did.

The call was from twin brothers who needed a place to stay over night on the their way to NY city, but that wasn’t all. It turns out that Zac and Max Prizant were running across America to raise funds for Heart to Heart International’s COVID-19 relief efforts.

They had been running for seven months (3,000 miles across the country) and were on the last leg of their journey, the Brooklyn Bridge in NY by New Years Day.

“When they told me their story I was amazed and of course couldn’t turn them down” said Howard. They didn’t show up to 2 am, they were tired. James and his co-owner brother Alex donated the room to the twins. Charitable causes are not uncommon for the Chelsea Sun Inn and the Howard Brothers.

After they woke up from a well deserved sleep they

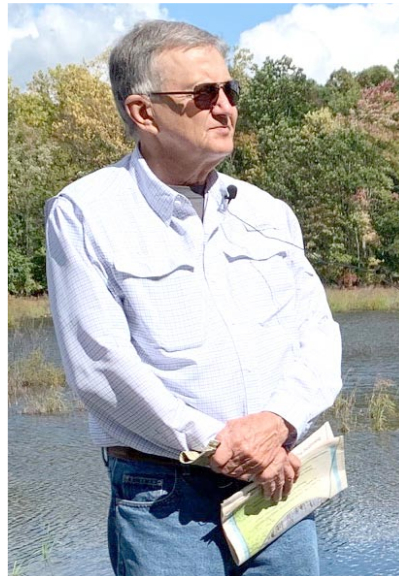

Max and Zac Prizant began their journey across the U.S. at the Golden Gate Bridge in San Francisco, Calif. May 21 and reached the Chelsea Sun Inn in Pa. on December 29th on way to NY.
