

## PA Farm Show Kicks Off Saturday

By Senator Scavello

PEN ARGYL - The 106th Pennsylvania Farm Show kicks off this Saturday in Harrisburg, and will feature nearly 6,000 animals, 12,000 competitive events and exhibits, 300 commercial exhibits and hundreds of educational and entertaining events.

In addition to the farm animals and competition, the Farm Show is known for the Food Court smorgasbord. You can find a complete schedule of events here.

Visitors to the Farm Show Complex will not be required to wear a mask, but the Department of Agriculture is encouraging people to wear masks and practice social distancing at the event. Entrance is free, but parking costs \$15 per car at all Farm Show complex lots.

The Pennsylvania agricultural sector supports 593,000 Pennsylvania jobs and annually contributes \$132.5 billion to the state economy.

## New 511PA Travel Information Features

By Senator Scavello

PEN ARGYL - The 511PA traveler information service has new features and alert customization for passenger vehicle and commercial vehicle drivers.

511PA allows motorists to set up personalized travel alerts for specific roadways, days of the week, and times of the day. Users can now select the type of alerts they would like to receive, rather than receiving all alerts. Categories include incidents, roadwork, general travel information, travel restrictions, and weather-related alerts.

Additionally, motorists can now use just an email or mobile phone number for speed and vehicle restrictions or full roadway closures without creating a personalized account.

For commercial vehicle drivers, 511PA now includes locations for all bridges under legal height (13'6") over state roads to improve information that drivers may be receiving from third-party navigation systems. This information can be viewed on the web map and is also available as an alert that can be heard in drive mode on the mobile app.
