Community Programs, January 2026
 First Day Hike

Family Science Night - Tracking Workshop

Friday, January 16, 2026 6:30pm to 7:30pm

Winter is a good time to observe animals and study their tracks. Learn how animals walk and how to identify them based on their foot shape. We'll spend the evening inside getting messy by making plaster casts. This event is best for children ages 3 and up and is a great introduction to tracking ahead of Saturday's outdoor Mammal Mysteries program. Registration is required.

Mammal Mysteries

Saturday, January 17, 2026 10am to 11:30am

Ever wonder what animals are up to in winter? Do you like solving mysteries? Join the team at Jacobsburg as we search for animal tracks to figure out what our local animals are doing on the property! This program is best suited for families with children aged 6 and up. Walking outdoors in all weather, moderate hills and varying conditions due to recent weather. Please dress to be outside, wear boots, and bring a water and snack. Registration is required.

Winter Tree I.D.

Saturday, January 17, 2026 1pm to 3pm

No leaves? No problem! Learn how

to identify woody plants in a winter landscape. This program is best suited for adults. Terrain is moderate hills with varying conditions due to recent weather. Please dress appropriately to be outside for the duration of this program. Registration is required.

Forest BAETHing

Saturday, February 14, 2026 10am to 11:30am

Looking for something peaceful to do with your 'bae' this Valentines Day? Join the team at Jacobsburg as we practice the Japanese art of forest bathing, shinrin-yoku, which translates to "bathing in the forest atmosphere". This program is intended to cultivate a sense of mindfulness and appreciation for our loved ones using a slow forest walk as the modality. A traditionally 'coupled' pair is not required- best friends, families, and individuals are all welcome to join! Participants will be walking on slightly uneven terrain. Please wear comfortable shoes and appropriate layers to be outside for the duration of the program. Registration is required.

Sugaring with your Sugar

Saturday, February 14, 2026 1pm to 3pm

Nothing is sweeter than syrup! Sugaring is the practice of boiling sap from trees into a tasty delicacy. Learn more about the sugaring process and bring along your sweetest friends for this program. Participants will be walking on slightly uneven terrain. Please wear comfortable shoes and appropriate layers to be outside for most of the program. Registration is required.

Winter Plant Walk

Wednesday, February 18, 2026 10am to 12pm

Join volunteer Doug B. on a walk through the woods and fields of Jacobsburg in search of winter plants that provide food for birds and other animals. Learn how to identify plants in winter and enjoy the winter landscape. Dress for the weather and wear comfortable hiking shoes. Registration is required.

Walking in the Footsteps of Jacob of Jacobsburg

Session 1: Saturday, February 21, 2026 10am to 12pm or

Session 2: Saturday, February 21, 2026 1:30pm to 3:30pm

Celebrate America's 250th by learning about Jacobsburg's namesake Jacob Hubler and his role in the American Revolution! We'll learn what Jacobsburg looked like in the late 1700's while taking a walk to the ruins of the Jacobsburg Inn. Find out the role the inn played in the early years of our country, as well as some of the intriguing local folklore about what it became in its later years! This program will involve walking along roads and through parts of the forest that do not have established trails for about a quarter of a mile. You must be able to traverse uneven surfaces to attend this walk. We will continue on established trails for the remaining mile of the walk, for a total of 1.3 miles. There are two sessions of this walk on the same

day, please choose one session. The program will start at the Connector Trail Parking Lot at 835 Jacobsburg Rd. Wind Gap, PA 18091. Registration is required. Detailed directions to the meeting location for this program can be found in the registration confirmation email.

Family Film Night: Owl Power
 Friday, February 27, 2026 6:30pm to 8pm

Owls are well known for their charismatic faces and eerie nighttime calls. How much do you really know about their amazing powers though? Bring your family along for a craft activity and screening of the PBS Nature Series film Owl Power. The film follows the lives of two Barn Owl chicks and will help us understand the adaptations that make owls the successful hunters that they are! Craft time starts at 6:30pm and the movie starts promptly at 7:00pm. Registration is required as supplies and seating are limited. You may preview the film online: <http://www.pbs.org/wnet/nature/owl-power/11628/>
