Bangor Womens Club Announces 2022 HOBY Recipient Megan Engle

By Marilyn Mehas

BANGOR - June Jones, First Vice President and Education Chair of Bangor Womens Club GFWC, is pleased to announce that Megan Engle a sophomore at Bangor Area High School has been selected to represent Bangor at the 2022 HOBY Leadership training this spring.

Megan has attended Bangor schools since Kindergarten. She lives in Roseto with her parents, Dan and Lindsay, and older brother Benjamin. Megan is a member of the Varsity Field Hockey Team at Bangor and has been involved with this sport for 8 years. During the winter and spring months, she plays Indoor Field Hockey and in summer and fall she practices and plays with her high school team. Megan enjoys spending time and going on trips to the beach with family and friends.

As a strong supporter of the sport, Megan has enjoyed volunteering with the youth field hockey camp sponsored by the high school team. She likes helping the younger players learn the sport and watching them grow as they gain new skills. Megan has also volunteered at the Roseto Day Camp for local youth, and attending this camp as a child was one of her favorite summer experiences.

Megan's future plans are to attend a 4-year college and hopes to combine playing field hockey with her academics. She is unsure of her future interests, but is interested in going into the educational or sports fields.

Habitat for Humanity Receives Support from Visions FCU, T-Mobile, and StateFarm

By Brittany Powelson

WASHINGTON – The past two months have brought Warren County Habitat for Humanity (WCHFH) an incredible amount of community support. From grants to donations, Warren County Habitat has received tremendous support from its annual appeal consisting of dozens of small donations from the local community. Support was also realized from Visions Federal Credit Union (Visions), T-Mobile and State Farm in the form of significant grants.

Visions announced in December that they would be donating a total of \$100,000 to various Habitat for Humanity affiliates across New Jersey, New York and Pennsylvania. This effort was a part of their inaugural “Big Give” campaign, where Visions donates a large amount to organizations that focus on community service. Warren County Habitat for Humanity was one of the ten recipients of the gift and is incredibly grateful for the opportunities it will open to them. Representatives from the local Visions branch surprised Warren County Habitat on December 9th, 2021 with a check for \$10,000.

Later in December, WCHFH was one of the first national recipients of a T-Mobile “Hometown Grant”. The purpose of this grant was to help finish construction on the Warren County Community Center, which has been an ongoing project since 2017. After being a part of the fabric of the community for over twenty years, we are disheartened to see the deterioration of our community and the lack of support services to surround and embrace our low-income families. From this place, the first ever Habitat for Humanity constructed and operated Community
