

**Habitat for Humanity**  
Continued from page 1

Center was born. Paid for completely with donations with the local community, our beautiful community center will serve veterans, children and low income families from Warren County. Representatives from T-Mobile presented a check for \$50,000 to Warren County Habitat representatives on December 16th, 2021.

Representatives from State Farm joined WCHFH at their ReStore on January 11th, 2022 for a day of volunteerism and presented a check for \$5,000. Rod and Erin eagerly assisted ReStore employees and volunteers on their day of service by organizing and moving furniture, restocking hardware and organizing donated clothing items. State Farm's day of service was prompted by a grant awarded to WCHFH

to go toward their Critical Home Repair program. Aside from building homes from the ground up, WCHFH's Critical Home Repair program is essential for ensuring that those who already have their own homes in Warren County remain safe and healthy. Warren County Habitat for Humanity relies on community support to implement and grow each of their programs. To learn more, volunteer or join the conversation, visit [www.warrenhabitat.org](http://www.warrenhabitat.org) or stop in at the ReStore on Route 57 in Washington.

**WALDEN III**  
Senior Living Community

**Mom is happy and I finally have some peace of mind!**

We were at an impasse. We wanted Mom to consider Personal Care but she was dead set against it. She can manage just fine, she insisted. I love her dearly but worry constantly. She reluctantly agreed to visit Walden III and they suggested a compromise. Independent Living! She gets to retain her independence and her dog and I enjoy the comfort and security knowing that help is **always** on hand.
