for various illness and injuries—including scores critically ill with COVID—and grateful to St. Luke's and his medical friends who encouraged him and arranged for his monoclonal antibody infusion.

"I think it's a great treatment and give St. Luke's a lot of credit for opening infusion centers in the community."

St. Luke's began using monoclonal antibodies, which received emergency use authorization from the FDA, just before Thanksgiving in its Easton and Warren, NJ facilities.

Unlike St. Luke's, many hospitals in Pennsylvania and across the country have not taken full advantage of their allocations of monoclonal antibodies. St. Luke's is proud to have made this important weapon in the fight against COVID-19 accessible to residents of the Lehigh Valley.

Nestlé Waters

Lease Subsidy Program to attract new and expanding businesses to the Boroughs of Bangor, Pen Argyl, Portland, and Wind Gap. The pilot program provides financial support to a minimum of five businesses during their first six months of operation.

"We are thrilled to offer our thanks to Mr. Andreus and his many colleagues at Nestlé Waters for supporting our effort to make a long-overlooked region in northern Northampton County a better place," said Stephen Reider, Director of Slate Belt Rising. "For this proud but struggling community, support like theirs can make a profound difference."

Grow Like A Farmer

By CACLV

This virtual training series is for beginning farmers, gardeners, and anyone else looking to have a successful growing season. Learn the basics of small farm planning from The Seed Farm's Farm Manager, Brad Pollock, through four weekly virtual meetings. Ask your questions and get feedback in real time!

Join us from January 28th through February 18th on Thursday evenings from 6:30-8:00 PM. Each weekly virtual meeting will cover a different topic that will help you maximize efficiency and productivity, whether you're growing for customers or for yourself.
