## Roseto Rod and Gun Club Supporting Bangor Police Department

 Roseto Rod &  
Gun Club

By Bangor Police Department

**BANGOR** - Bangor Police Department Expresses Gratitude to Roseto Rod and Gun Club The Bangor Police Department would like to extend its sincerest appreciation to the Roseto Rod and Gun Club for their generous donation of \$500. This kind gesture is a testament to the club's commitment to supporting our community and law enforcement efforts.

We are grateful for the Roseto Rod and Gun Club's investment in our department and the positive impact it will have on our ability to serve and protect the citizens of Bangor. We value our partnership with the club and look forward to continuing to work together to make our community a safer and better place. Thank you again to the Roseto Rod and Gun Club for their generosity and support. We are proud to have them as a part of our community!

## K9 DONATIONS

**K9 DONATIONS** Community Support Enables Progress on K9 Program The Bangor Police Department is grateful for the community's ongoing backing of its K9 program. While a specific launch date remains uncertain, we're delighted to confirm that your kind donations have paved the way for the program's revival as soon as possible. Following the loss of K9 Edo, our program was put on hold, but we're dedicated to seeing it through, as we're sure K9 Edo would have wanted. Identifying the perfect officer and canine partner is crucial to us.

We're dedicated to forming a top-notch team that will serve and protect our community with excellence. Your unwavering support means the world to us, and we're excited to share updates on our K9 program's progress with you.

## Dr. Susan Mattes Bostian Receives Paul Harris Award

By Rep. Joe Emrick

**NAZARETH** - I recently presented Dr. Susan Mattes Bostian with a Pennsylvania House of Representatives citation for her receipt of the Rotary Club of Nazareth's prestigious Paul Harris Award. The award is in recognition of Susan's lifelong dedication to volunteerism, humanitarian service and community leadership.

She is the proud wife of Thomas Bostian (retired military after 32 years) and mother of 4 amazing children. She began her journey of helping others when her mother was diagnosed with cancer in 1997. From there, she has spearheaded many community initiatives, started a community based public charity and has led many others to do the same regardless of where her travels bring her.

From Making Strides Against Breast Cancer, bringing Pink in the Rink to the Lehigh Valley Phantoms, Operation Hope Trek, The Every Ribbon Counts Foundation (which recently merged with Kellsie's Hope Foundation) and facilitating the rotary's Last Wish division, helping others has been a family mission and a way of life over the years. Congratulations, Susan!
